

Dear Client,

Thank you for providing the three datasets from Sprocket Central Pty Ltd. The summary shown below is all about the issues related to the given datasets. Please let me know if you have any issue.

| | | | |
|----------------------|--|---|---|
| Customer Demographic | <ul style="list-style-type: none">• Gender is inconsistent | <ul style="list-style-type: none">• Age is missing | <ul style="list-style-type: none">• Blanks in job title |
| Customer Address | <ul style="list-style-type: none">• State is not consistent | | |
| Transaction | <ul style="list-style-type: none">• Transaction month is missing | <ul style="list-style-type: none">• Profit is missing | |

The table shown above is all about the issues related to datasets. Here is some of the recommendations for improving the datasets.

I

- Provide gender consistency.
- Add extra column with age of customers.
- Take care about blanks
- Add transaction month in dataset.
- Add profit column in dataset.

So this is all about your datasets and it was great experience with your dataset.

Please let me know if you have any issue related to datasets.

Kind regards,
Vaibhav Sharma
